

Village of Clinton
March 21, 2018

The meeting opened at 7:00 pm.

Members present were President Doris Kemner, Carl Habrick, Joe Orban, Bonnie Peters, Greg Michalak and Merlin Mowery. Larry Sines was absent.

The Village Manager welcomed the public to the Place Making Meeting.

Ms. Pam Blough from PM Blough addressed Council and community members on the four main categories of placemaking; Access & Linkages, Uses & Activities, Comfort & Image, and Sociability. Place Making is a process of working with the community to develop a plan to make the town a more attractive place to live, work and play. The Village's Place Making Plan provides direction on what Clinton can do to move forward in a positive direction.

The following comments were from the public: Would like to connect the Village with the Adrian bike trails someday. Wanted to know how projects were prioritized and communicated with the public. Were community gardens or farmers market brought up in the plan. Wanted to know who would coordinate community events. How do we generate new businesses down town? Does the Village have enough people to create/promote the vision? Wanted to know the demographics of Clinton. Was not in favor of taking down the Smith-Kimball Community Center fence. The Historical Society of Clinton is making a postcard with historical events.

The meeting adjourned at 8:15 pm.
